LIILA STAR Nordic Gold/Optic Clear

Design: Sofie Refer, 2021. EU-model.

Liila Star Wall/Ceiling in mouth blown Optic Clear glass and Nordic Gold finish.

Liila Collection has a Nordic simplistic yet sensuous look due to the fine reflections in the glass and metal. The mouth blown glass is elegantly framed by the metal disc in soft metallic finish.

While the version in Optic Clear glass creates sparkling reflections, the version in Opal White glass completes the minimalistic Nordic look.

Liila Star Wall/Ceiling has an elongated modular formation. It looks great as an extended light sculpture or arranged in a line to create a stunning effect. Liila 7 can be installed vertically or horizontally
