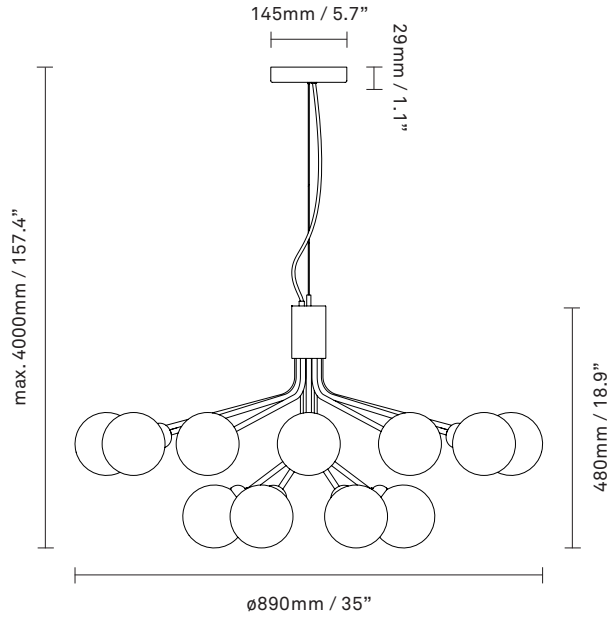
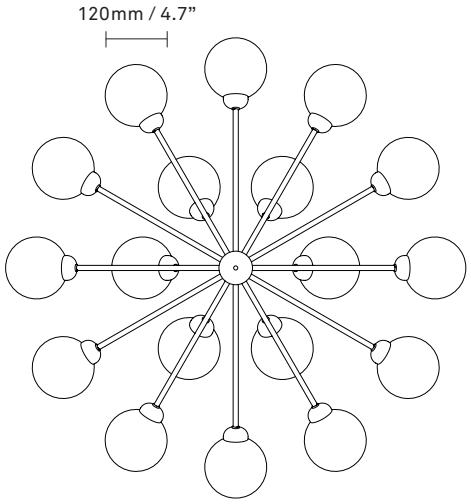
APIALES 18
brushed brass / optic gold

Design: Sofie Refer, 2022





Apiales 18 is a modern reinterpretation of the chandelier with references to Nordic nature. Inspired by umbellifer flowers, the brushed brass metal arms unfold like flower stalks from which light is spread with grace through the optic gold glass globes. The Apiales 18 chandelier can be installed as a centrepiece in larger spaces such as the foyer, a living room or over a large dining table.
